Norfolk Voyage 4 Update ex-Brisbane

Dear Valued Customers,

Cargo demand on the Norfolk voyage 004E due to depart Brisbane 17-August, and publicised in schedules since 28-June, has not met expectations.

In the absence of cargo demand, the voyage will be delayed a minimum of 7 days. Her schedule will be updated for departure 24-August, pending increased cargo demand from Norfolk importers. We will also accept break-bulk cargo from Brisbane to Auckland on this voyage.

We remain committed to serving Norfolk Island with a regular, reliable service. This is dependent upon consistent cargo demand to allow forward planning and a competitive product. Thank you for your understanding and continued support.

Should you have any further questions or queries please contact your NPD representative.

Sincerely,
NPD
