Capitaine Wallis 408 Delay in Auckland

Dear Valued Customer,

We regret to announce that “Capitaine Wallis” Voy 408 departure from Auckland has been delayed. She requires urgent maintenance and repair work and cannot sail until these works have been completed.

While a definitive timeline for the completion of repairs is still to be determined, tentatively she will depart Auckland between the 10th and 12th of March. We will provide further updates later this week.

Vessel (ETA)	Noumea	Lautoka	Suva	Santo Luganville	Port Vila
Capitaine Wallis 408	15-Mar	21-Mar	22-Mar	27-Mar	29-Mar

We have looked at alternate vessel connections for cargo onboard and she is still the best connection to Noumea and Vanuatu. We will continue to monitor the progress on her repairs and advise if there are any changes.

Thank you for your continued support, should you have any further questions or queries please contact your NPD representative.

Sincerely,

NPD
