Capitaine Tasman 89, Capitaine Baret 23 and NPDL California 1 - Voyage updates

Dear Valued Customers,

Due to port congestion impacting our ANZPAC and Fiji Express Services, scheduled dry docking for the Capitaine Tasman and delay in delivery of the NPDL California vessel we have had to make the following changes to the network.

Capitaine Tasman 89

She will not call Tauranga after Nuku'alofa due to hull cleaning requirement before entering New Zealand waters, which would delay her on window arrival into Tauranga. To avoid this delay and to ensure her dry docking proceeds per schedule, after Nuku'alofa she will instead return to Fiji and then call Vanuatu before heading to China for her dry dock.

Vessel (ETA)	Auckland	Suva	Lautoka	Apia	Pago	Nuku'alofa
Capitaine Tasman 89N	6-Dec	11-Dec	13-Dec	19-Dec	19-Dec	23-Dec

Vessel (ETA)	Suva	Lautoka	Santo	Port Vila
Capitaine Tasman 89W	27-Dec	30-Dec	02-Jan	04-Jan

- Cargo booked on her from Apia, Pago and Nuku'alofa to Auckland Tauranga will be transferred to the Baret 23 (see below)

Capitaine Baret 23

She will call Nuku'alofa after Lautoka and then head to Tauranga. She will berth in Tauranga on 29-Dec.

Vessel (ETA)	Tauranga	Auckland	Suva	Lautoka	Nuku'alofa	Tauranga
Capitaine Baret 23N/S	11-Dec	12-Dec	17-Dec	19-Dec	23-Dec	29-Dec

NPD California 1

She will not do her planned rotation of Nouvapak as previous advertised due to delay in vessel delivery. Instead, she will head from Melbourne to Fiji to carry out a hull cleaning. Her future deployment will be published in next week’s schedules.

Vessel (ETA)	Melbourne	Lautoka
NPD California 1	11-Dec	21-Dec

- Cargo booked on her from Australia or New Zealand to Noumea will be transferred to the Sofrana Surville 292.
- Cargo booked on her from Australia or New Zealand to Vanuatu will be transferred to the Capitaine Dampier 206 and transhipped in Suva on to Capitaine Tasman 89W.

These adjustments will be reflected in our schedule this week.

Thank you for your continued support, should you have any further questions or queries please contact your NPD representative.

Sincerely,
NPD
