### Europe to Pacific Islands General Rate Increase

Dear Valued Customers,

NPD has been incurring additional costs to provide shipments from Europe to Pacific Islands. These include increased costs on 1st leg carriers, additional costs to secure containers in an extremely low container availability environment.

To ensure sustainable services and to maintain our regular shipping services linking Europe to Pacific Islands, freight rates will increase effective from 11<sup>th</sup> June 2022 (shipped on board date).

The increase will be applied on top of the current freight rates at the following amount:

- **Origin:** Europe
- **Destination:** Pacific Islands
- **Quantum:** US\$300 per 20' container / US\$600 per 40' container

Thank you for your continued support.

Should you have any further questions or queries, please contact your NPD representative.

Sincerely,  
**NPD**
