Introduction to California South Pacific (CALPAC) Service

Dear Valued Customers,

NPDL is delighted to announce a new California South Pacific (CALPAC) service between the West Coast USA and the South Pacific. The service will sail every 18 to 20 days between Long Beach, Oakland, Papeete, Apia, and Pago Pago.

From Apia the CALPAC service connects to Nuku'alofa, Suva, and Lautoka on NPDL's ANZPAC Service, to Tarawa and Micronesia on NPDL's INTRAPAC service and to Port Vila, Santo and Noumea on NPDL's NOUVAPAC service. Connections to Tuvalu, Wallis and Futuna and Cook Islands are also available.

The service will commence with the Mount Cameron voyage 548S loading Long Beach 23rd of July and Oakland 26th of July. For schedule details please go to [Schedules | NPDL \(npdlship.com\)](https://www.npdllship.com/Schedules)

For further information please do not hesitate to contact your local agent.
