## NZPAC Schedule Realignment for September/October Sailings

Dear Valued Customer,

We regret to advise with Port of Tauranga suspending port operations for 24 hours due to strong winds over the weekend, the Neptune Matua 0534 berth was delayed by a day to 17-Sep. She has therefore missed her Auckland window and due to unavailability of labour, her berth in Auckland has been delayed by a week to 24-Sep.

With the PFL Matai 0532 also running off-window, we will adjust all three NZPAC vessels to rectify the schedule. The changes will be as follows:

**Neptune Matua 0534:** On departure Tauranga on 17-Sep, she will perform a double call in Auckland. First calling multi-cargo wharf on 18-Sep to discharge imports, a partial load of exports and then head to anchorage. She will then wait until her Terminal berth on 24-Sep to load all remaining exports. She will also call Apia, Pago Pago & Nuku'alofa on this voyage. We will adjust the schedule of the NPD L Tahiti 2520 to ensure connection of New Zealand to Vanuatu exports in Suva.

**PFL Matai 0532/0535:** After departing Tonga on 20-Sep on Voy 0532, she will return to Lautoka to load additional cargo for New Zealand (covering the gap from Neptune Matua delay). She will berth in Tauranga a week later on 30-Sep and will change to performing a "Fiji Express" rotation on her next Voy 0535.

**Capitaine Tasman 0536:** She will berth a week later than scheduled with an ETA of 7-Oct and perform her normal NZPAC rotation (Pago Pago) call.

Please see the forward schedule covering these voyages on the following page:
