Capitaine Tasman 67N Update

Dear Valued Customers,

Further to our notice yesterday regarding the tragic incident at Ports of Auckland, we have received notification that New Zealand Maritime Safety have completed their preliminary investigations.

We expect that operations on the Capitaine Tasman will recommence around midday tomorrow, 21 April 2022. She will continue her voyage as planned, calling Noumea prior to Suva and Lautoka.

Again, our deepest thoughts and sympathies are with the family, friends, and all of those affected by this tragic incident.

Sincerely,

NPDL
