Asia to Fiji General Rate Restoration (GRI) Effective 15 September 2026

Dear Valued Customer,

Please be advised that we are implementing a General Rate Restoration (GRI) for all cargo transported **from** Asia, China, Indian sub-continent, Latin America, Africa and the Middle East **to** Fiji, **effective 15 September 2026**.

This will ensure we can continue to provide our high level of customer service amid continued shipping and supply chain disruptions.

Please note that this GRI will apply in addition to our Asia to the South Pacific Islands GRI [announcement](#) on 15 July 2026.

The scope and rate increase will be as follows:

Origin	Destination	Curr.	20 Dry/Reefer	40 Dry/Reefer
Asia, China, Indian sub-continent, Latin America, Africa, and the Middle East	Fiji	USD	300	600

Thank you for your continued support and understanding. Should you have any further questions please contact your Neptune Pacific representative.

Sincerely,

Neptune Pacific
