NZPAC – Schedule rectification for May 2026 sailings

Dear Valued Customer,

We regret to advise that due to berth congestion in the islands, our NZPAC vessels have encountered delays to their schedules. To bring the vessels back to their fixed windows in Tauranga and Auckland, we will be implementing the following rectification plan:

- There will be no NZPAC sailing ex New Zealand the week of 4 May given the delays to the Capitaine Tasman in Fiji and congestion expected through Samoa.
- The Capitaine Tasman 2614S will berth in Tauranga on 12 May.
- The Capitaine Tupaia 2615S will perform a discharge only in Tauranga on 15 May and then proceed to anchorage. She will return to the berth on 19 May in Tauranga to commence voyage 2618N.
- The Neptune Matua 2616S will perform a discharge only in Tauranga on 22 May and then proceed to anchorage. She will return to the berth on 26 May in Tauranga to commence voyage 2619N.

The updated schedule is as follows and will be published next week:
