## Customer Advisory: Bookings available for upcoming Heavy Lift Voyage

Dear Valued Customer,

We are pleased to advise that the *Norfolk LCT* will be performing a Heavy Lift Voyage from Brisbane to Norfolk Island in late July 2026.

With the *Norfolk LCT* now entering its third year as the only dedicated shipping service for Norfolk Island, this voyage reflects our ongoing commitment to supporting the community with tailored freight and waste export solutions.

The Heavy Lift Voyage will have the capability to import heavy machinery and equipment with the support of a specialised heavy lift crane which has a maximum lift capacity of 18.5 tonnes.

**Find the Heavy Lift Voyage schedule below:**

Vessel Voyage (ETA)	Brisbane	Norfolk	Brisbane
Norfolk LCT 2604E	23-Jul	05-Aug	19-Aug

Please note that this schedule may be adjusted due to weather conditions and other minor changes, and we will keep you updated.

We encourage you to take advantage of this opportunity and book your heavy lift freight by 19 June 2026 through Zoe Abel, from your dedicated Neptune Pacific team, by emailing [zoe.abel@npdlship.com](mailto:zoe.abel@npdlship.com).

Sincerely,

**Neptune Pacific**
