NZPAC – Express sailing to Fiji for Capitaine Tupaia Voyage 2640

Dear Valued Customer,

We regret to advise that **Capitaine Tupaia Voyage 2640** has been amended to perform an express to Fiji only voyage – to recover time in her schedule following earlier delays due to peak season port congestion.

As a result, we have made the below arrangements for impacted cargo destined for Apia and Nuku'alofa. The updated voyage schedules are listed on the next page.

Apia

- All New Zealand and Suva exports and transshipment cargo for Apia will be transferred to **Capitaine Tasman Voyage 2641**.
- **Capitaine Wallis Voyage 2611** will perform an ad hoc call to Apia to accommodate all Lautoka export and transshipment cargo.

Nuku'alofa

- **Capitaine Kupe Voyage 2613** will perform an ad hoc call to Nuku'alofa to accommodate Auckland export and transshipment cargo.
- All Fiji exports for Nuku'alofa will be transferred to **Neptune Matua Voyage 2642**.

After carefully reviewing all available options, this approach allows us to accommodate cargo requirements, while minimising wider network delays. Thank you for your understanding.

Continued on the next page.
