Heavy Weight Surcharge (HEA) – Asia to Pacific Islands

Dear Valued Customers,

NPDL wish to inform that we will be implementing a Heavy Weight Surcharge (HEA) for all shipments from Asia/Africa/Latin America/Middle East to all Pacific Islands destinations.

Vessels from Asia to New Zealand continue to hit dead-weight limitations prior to TEU limitations due to heavy import cargoes. The Heavy Weight Surcharge is designed to incentivise lighter cargoes and to allow for greater TEU load on vessels ex-Asia, enabling more goods to be imported to the South Pacific.

This surcharge will be implemented for containers that are **18 metric tonne and above (Gross Weight)** and will be payable by the freight payer.

- **Effective date:** 1st July 2022 (Based on SOB date)
- **Origin:** Asia, Africa, Latin America, Middle East
- **Destination:** All Pacific Islands destination
- **Quantum:** US\$150 per container

Thank you for your continued support.

Should you have any further questions or queries, please contact your NPDL representative.

Sincerely,
NPDL
