Capitaine Wallis v381

Dear Valued Customers,

We regret to advise that the Capitaine Wallis has encountered main engine problems whilst on route between Fiji and Tuvalu. After a period of seeking to complete required repairs whilst in transit we have decided to return the vessel to Fiji for further assessment and repairs.

We are aware there are urgent cargoes on board the vessel and will keep you updated with contingency plans as soon as possible.

Should you have any further questions or queries please contact your NPD L representative.

Yours sincerely,

NPD L
