MICROPAC Trade – Vessel Update

Dear Valued Customer,

Please be informed that due our vessel dry docking programme, the Capitaine Kupe will be replaced by the Skyline for a few voyages in the MICROPAC trade covering Fiji, Tuvalu, and Kiribati.

The Capitaine Kupe Voyage 045 will be her last sailing in this trade and then she will proceed to dry dock from Tarawa. The Skyline 046 will not call Funafuti on her maiden voyage, instead the Capitaine Wallis 416 will provide coverage for Funafuti. The Skyline will then resume normal rotation of Fiji, Tuvalu and Kiribati on subsequent voyages.

The forward schedule is as follows:

Vessel (ETA)	Lautoka	Suva	Funafuti	Tarawa	Kiritimati	Lautoka
Capitaine Kupe 045	06-Nov	09-Nov	13-Nov	18-Nov	-	OMIT
Skyline 046	TBC	21-Nov	OMIT	02-Dec	14-Dec	29-Dec
Capitaine Wallis 416	6-Dec	8-Dec	12-Dec	-	-	27-Dec

We thank you for your continued support, should you have any further questions or queries please contact your NPDL representative.

Sincerely,

NPDL
