### **AUSPAC – NPDL TAHITI 2508N Australia Port Rotation Change**

Dear Valued Customer,

We regret to advise that due to weather induced port closures in Newcastle and Sydney, the NPDL Tahiti Voy 2508N has incurred schedule delays.

She arrived in Newcastle on 30-Mar but has been unable to depart due to severe swells resulting in restricted vessel movements by the port authority. She is expected to depart today late evening.

To rectify her schedule, she will amend her port rotation on the Australian coast and call Melbourne before Sydney. The updated schedule is below with Sydney and Brisbane dates subject to berth availability.

Vessel (ETA)	Newcastle	Melbourne	Sydney	Brisbane	Noumea	Lautoka	Suva	Port Vila
NPDL Tahiti 2508N	ETD 3-Apr	6-Apr	9-Apr	11-Apr	15-Apr	18-Apr	20-Apr	23-Apr

If you have any questions – please contact your local NPDL representative.

We thank you for your continued support.

Sincerely,

**NPDL**
