Tahiti Trade – Schedule delays due to Port Congestion

Dear Valued Customer,

We regret to advise that due to port congestion at Papeete, the Southern Pearl 1531 berthing has been delayed. We have been informed that earliest berth available is 18-Nov (6 days delay) and we have reflected this in our schedules. We are having ongoing discussions with ports to see if we can advance the berthing date and will advise if there is any change.

If we are unable to secure an earlier berth, then this will have a follow-on impact on the forward schedule and the Southern Pearl 1533 will now only arrive in Papeete after Christmas (previously advertised 21-Dec)

The forward schedule is as follows:

Vessel	Auckland (ETD)	Papeete (ETA)
Southern Pearl 1531	Sailed 4-Nov	18-Nov
Southern Pearl 1532	29-Nov	07-Dec
Southern Pearl 1533	19-Dec	26-Dec

We thank you for your continued support, should you have any further questions or queries please contact your NPDL representative.

Sincerely,

NPDL
