PFL Matai 009N Delay

Dear Valued Customer,

We wish to advise you that the PFL Matai V009N has completed her cargo operations in Auckland this morning, however she will remain in Auckland, at this time, due to operational requirements.

Whilst her exact ETD from Auckland is unknown, she is likely to be delayed for a day or two. We are looking at all options to ensure timely delivery of cargo, including by-passing Suva to meet the berthing window in Apia, prior to the scheduled port closure for the CHOGM event.

We will update our impacted customers again on Saturday morning.

We thank you for your continued support, should you have any further questions or queries please contact your NPD L representative.

Sincerely,

NPD L
