NZPAC – Schedule Rectification for voyages 0507/0508/0509 and onwards

Dear Valued Customer,

Please be advised that due to ongoing berth congestion in New Zealand and the Islands, we have taken the following actions to rectify the schedule and bring the vessels back to their proforma windows:

- **Capitaine Tupaia 0507** will perform a truncated voyage of Tauranga – Auckland – Suva – Lautoka – Nukualofa – Tauranga. All cargo booked for Apia & Pago Pago will be transferred to the Capitaine Tasman 0508.
- **Capitaine Tasman 0508** will omit Suva and call Pago Pago instead of Nuku’alofa on this voyage. Suva imports will be transferred to the Captain Tupaia 0507 or the PFL Matai 509. Suva exports will be positioned to Lautoka on the Tupaia 0507.
- **PFL Matai 0509** will call Nuku’alofa instead of Pago Pago to maintain fortnightly frequency to Tonga. All forward voyages will have their Nuku’alofa and Pago Pago calls swapped.

The forward schedule for NZPAC is as follows. It will be reflected in our port-to-port schedules tomorrow and published schedules on Monday evening.

Vessel Voyage	Tauranga (ETA)	Auckland (ETA)	Suva (ETA)	Lautoka (ETA)	Apia (ETA)	Pago Pago (ETA)	Nuku’alofa (ETA)	Tauranga (ETA)
