### NZPAC – Schedule Update & Modification

Dear Valued Customer,

Please be informed that due to ongoing port congestion in the islands and general congestion in New Zealand ports with multiple liner services arriving off-window in Auckland and Tauranga, our weekly NZPAC schedule has been impacted.

We have been forced to adjust our berthing dates in Tauranga & Auckland for the December sailings and re-calibrated our round-voyage-days on the southbound leg, with a view to returning to proforma schedule, from mid-January 2025, in Tauranga.

The updated schedule for this service, including a change in port rotation on the C.Tasman 102 due to Christmas, is below and the changes to the forward schedules will be published in our weekly schedules.
